Weekly Devotional

"In the beginning you laid the foundations of the earth, and the heavens are the work of your hands. They will perish, but you remain; they will all wear out like a garment. Like clothing you will change them and they will be discarded. But you remain the same, and your years will never end." Psalm 102:25-27

"For His faithful love to us is great: the Lord's faithfulness endures forever. Hallelujah!" -Psalm 117:2

For some people, consistency and commitment are difficult things to face. As busy as we get these days, most of us struggle with commitment to work, school, relationships, and faith. Situations, events, materials, and people all change over time. When things get old and worn out, we tend to throw them away. If we lose interest in something, we change it. Psalm 102:25-27 states that everything in this world will one day fade away, but God remains the same and lives forever. Knowing these truths about God allows us to trust in Him and His plan for us. Although everything around us is quickly changing and fading, God remains the same. He is faithful and committed. You can always place your trust in our unchanging God.
