Welcome to Pinewood

MISSION STATEMENT

The mission of Pinewood Christian Academy is to offer a quality education in a Christian environment by using strict academic standards and discipline to foster spiritual, intellectual, and social growth.

PHILOSOPHY

Our philosophy is to love, discipline, and educate children while developing the mind and promoting standards of excellence in academics, athletics, fine arts and behavior. We maintain a steadfast commitment to guiding the intellectual and personal development of children, and a belief in the importance of educating all dimensions of students. While our philosophy encompasses an understanding of varying levels of academic ability, differences in learning styles, and multiple instructional strategies, our goal is firmly rooted in the college preparatory mode. We celebrate individuality within the communal life of family, community, church and state while encouraging the love of God in Jesus Christ, our Lord.

SCHOOL ALMA MATER

Mr. Wayne Buffington, a former Pinewood faculty member, composed and introduced the school's *alma mater* which is entitled, "Pinewood Patriot Green" in 1971.

ALMA MATER

*At the most important times we sing to Pinewood Patriot Green
Of Christian ways we hold the truth to Pinewood Patriot Green
So help us now as we meet this day continue to be true
And n'er forget the kindredship between our God and man.*

SCHOOL COLORS

Pinewood's school colors are "Green, Orange and White".

SCHOOL MASCOT

Pinewood's mascot is the "Patriot".

SCHOOL MOTTO

The school's founding headmaster, O.H. Smith, Jr. introduced a motto which concisely explained the values which are stressed at Pinewood – "*Fides, Veritas, Hereditas*" which means "Faith, Truth, Heritage".

General Information

AUTHORITY OF THE HEADMASTER

The headmaster is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. In cases of disruptive, disorderly, or dangerous conduct not covered in this Code, the Headmaster may undertake corrective measures which he believes to be in the best interest of the student and the school, provided any such action does not violate Board of Governors policy or procedures.

GRIEVANCES AND COMPLAINTS

Any grievance or complaint regarding the school should be presented in a professional and courteous manner to the appropriate school staff member. Every attempt should be made to resolve the concern first with the individual teacher or staff member. In cases where the concern cannot be resolved at that level, the next point of contact should be an assistant headmaster.

In rare cases where the matter has not been resolved by meeting with the teacher and the assistant headmaster, parent or guardian may request a meeting with the headmaster through the school secretary. Please explain to the secretary what the meeting concerns. All appointments must be made in this manner. The headmaster will not schedule a meeting until appropriate steps in the process have been followed.

Should you have a concern that goes beyond what the school administration has offered as a solution, deliver your complaint in writing to the Chairman of the Board of Governors. Individual board members, though they may be long-time friends or associates, will not deal with grievances except through the board chairman. To do otherwise would put a board member in a very awkward position since the board has charged the headmaster with the management of the school.

PROTOCOL FOR CURRICULUM CHALLENGE

Parents or guardians wishing to challenge specific curriculum used within a course at Pinewood Christian Academy should submit their concerns in writing to the teacher of the challenged curriculum. A copy of the letter should also be submitted to the headmaster and the curriculum director. Phone calls and e-mails are not acceptable means of communicating concerns regarding challenged curriculum.

- The headmaster, curriculum director and teacher of the challenged curriculum shall devise a course of action concerning the challenge. The parents/guardians who submitted the challenge shall be notified of the intended resolution regarding the challenge.

- If the parents/guardians are not satisfied with the course of action recommended by the teacher, headmaster, and curriculum director, the parents/guardians may request to present their concerns to the Board of Governors at the next regularly scheduled meeting. The headmaster shall inform the Board of Governors of the attempt(s) to resolve the issue regarding the challenged curriculum. Parents/guardians should not contact any board member personally regarding their concerns.
- The Board of Governors decision regarding the challenged curriculum shall be final and all parties involved in the challenge shall be informed of the decision in a prompt manner.

ASBESTOS MANAGEMENT PLAN

The management plan for asbestos containing building materials (ACMB) required by the Federal Asbestos Hazard Emergency Response Act (AHERA) has been performed for this facility. The management plan is on file at the school office and is available for public review.

STATEMENT OF NONDISCRIMINATION

Pinewood admits students of any race, color, nationality and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, nationality and ethnic origin in administration of its educational policies, admissions policies, athletic and other school-administered programs.

SCHOOL INSURANCE

Parents have the option to purchase secondary health insurance that will cover their student(s) during the time the child is at school or participating in a school-sponsored activity. This school insurance is provided by The Young Group, Inc., 256 West Millbrook Road, Raleigh, NC 27609; Toll-Free Number: 888.574.6288; or via web at www.k12studentinsurance.com.

FUND-RAISING PROJECTS

All school-related moneymaking projects are to be approved and scheduled through the headmaster's office.

DELIQUENT TUITION POLICIES AND PROCEDURES

Section 1: Patron accounts are to be paid in full when student/students begin a new school term at Pinewood Christian Academy. Exceptions to this policy are allowed only after full review of the Finance Committee and recommendations to the Board of Governors. Patrons must meet with the Finance Committee to arrange suitable payment methods before this recommendation is presented to the Board of Governors.

Section 2: Patron accounts are to be paid in full before report cards, diplomas and/or transcripts are released by the Academy. Exceptions to this policy are allowed by consent of the Board of Governors upon recommendation by the Finance Committee.

Section 3: Patron accounts will be reviewed on a monthly basis by the Board of Governors. All accounts 30 days or more in arrears will be charged a finance charge amounting to one and one-half (1.5%) percent per month (18% annual rate). Patrons with accounts totaling 45 days in arrears will be sent a letter from the Headmaster requesting payment. Patrons with accounts totaling 60 days in arrears will be sent a second letter from the Headmaster requesting payment and explaining the consequences of becoming 90 days in arrears. Patrons with accounts 90 days in arrears will be asked to meet with the Finance Committee to discuss their account and make necessary arrangements for payment. In the event a patron does not meet with the Finance Committee or make payments that would bring the account below 60 days past due before becoming 100 days in arrears, the student/students will not be allowed to attend Pinewood on the day the account becomes 101 days in arrears.

OUTSTANDING DEBTS

Students are responsible for any debt they incur. Final report cards will not be mailed until yearly acquired debt has been paid. Seniors must pay all outstanding debts BEFORE graduation. No senior will be allowed to participate in graduation ceremonies, or receive diploma or transcript until all debt has been paid.

CAMPUS AFTER HOURS

Students should leave campus immediately following dismissal unless they are participating in a school sponsored activity or supervised activity.

Only students enrolled at Pinewood Christian Academy will be allowed to use school facilities and equipment, subject to all other existing rules of supervision and usage.

BUILDINGS AND GROUNDS

A great deal of hard work and effort has gone into creating the environment enjoyed at Pinewood. Accordingly, students and parents are asked to respect certain rules concerning use of the facilities.

Students are restricted in terms of access to the gym, weight room and rear areas of the building, except during an organized class or under the supervision of a teacher.

No one is permitted free access to the building and surrounding grounds without first clearing it through the school office. This is especially important during school hours.

Students in the lower school are to go outside at break unless the teacher has given them permission to remain in the classroom with the teacher.

Students in the upper school are not allowed in classrooms at break or lunch unless there is a teacher present. They are to go to the lunchroom or to the area designated outside for high school students.

Pinewood Christian Academy Athletic Facilities Usage Policy

Pinewood Christian Academy is blessed to have quality fields, buildings, and training areas for our athletic teams. For the most part we reserve the use of these facilities to that of our athletic teams engaged in supervised practice. We keep these facilities secured when not in use for liability and safety reasons. We do understand there are times that our students/student athletes would like to use these facilities to practice as individuals in an attempt to better themselves, thus bettering our teams. It is for this reason that we have developed a policy to govern the use of our facilities that occur outside of team practices.

If a student/student athlete wants to use an athletic facility, separate from an organized team practice time, he/she must comply with the following guidelines:

1. The head coach of that particular sport must approve the use of the specified sport facility.
2. An adult patron must accompany the student/student athlete and supervise all activities in the facility for the duration of the use.
3. The student/student athlete involved in the use of a PCA facilities must be Pinewood Christian Academy student.

We expect the facility to be properly maintained during the approved use. At the conclusion of the approved use, the facility should be secured and the key returned. At no time should the key be given to anyone other than the adult to which it was originally issued. At no time should the key be duplicated. At no time should a student not enrolled in Pinewood Christian Academy be allowed to use the facilities. PCA administrators may also grant permission for the use of facilities but must make sure that all 3 criteria listed above are met.

Failure to comply with these guidelines will result in a loss of privilege for future use of the facility by the previously approved patron.

VISITORS ON CAMPUS

All visitors, including parents, must check in at the school office at all times and under all circumstances.

A visitor pass will be issued to all visitors and parents when signing in at the school office. This pass is to be returned when leaving the school.

Teachers have been instructed to send any visitor or parent who does not have a visitor pass to the office immediately.

Parents should never go directly to a classroom during the school day for any reason.

Trespassing on campus is strictly forbidden. This regulation is designed to ensure the safety of students and personnel. Only students enrolled at Pinewood Christian Academy will be allowed to use school facilities and equipment, subject to all other existing rules of supervision and usage.

SCHOOL PICTURES

All school, class, and athletic pictures will be taken by the school's professional photographer. Picture order forms are available in the office. Dates for pictures will be posted on the website.

LOST & FOUND

Book bags, gym bags, books, clothes, or any items not kept in the proper student locker areas or on hallway wall hooks, will be turned in to the office 'Lost and Found'. Announcements are made to remind students to check the lost and found. All clothing not claimed will be removed from the school.

TELEPHONE ACCESS TO STUDENTS

The phone in the office is available to students to contact their parents due to illness and change in scheduled sports activities. Early departure arrangements must be made in advance, not during the school day.

Students who have received a message will be called to the office and given messages during their break, lunch or prior to dismissal of school. Students will not be excused from class for phone calls unless the administration deems it an extreme emergency.

EMERGENCY PROCEDURES

Orderly evacuation of the classroom is necessary in the event of an emergency. Each room has an emergency evacuation route. Students should familiarize themselves with the directions posted in the classroom. During emergency evacuations, students are to remain quiet and follow the instructions of the teachers. Emergency procedures should be taken seriously—they could save a life! **Fire Drills** are required. When the fire alarm sounds, all occupants of the various wings will evacuate the buildings immediately through assigned exit routes, according to plans in each classroom.

Tornado Drills will be scheduled during the school year. When the alarm sounds, students will move to the places designated on the tornado drill instructions posted in each classroom.

BAD WEATHER DURING THE SCHOOL DAY

Bad weather situations may arise during the school day. The administration will monitor the current weather conditions and will make decisions to best protect the students at the appropriate time.

PARENTS – PLEASE DO NOT CALL THE SCHOOL.

Notification to Parents will be sent immediately when a decision has been made to release students early due to a weather situation. Parents will receive an alert message via SchoolWorx. It is the parents' responsibility to make sure that correct telephone numbers and email addresses are on record for the SchoolWorx system.

Students will not be released to parents to leave the school campus nor will school buses leave the school campus while the school is under a tornado or a severe weather warning.

MEDICATION

All medication brought to school (e.g. antibiotics, analgesics, cough syrups, etc.) **must** be kept in the office. Prescription medicines must be in the original bottle indicating the child's name, name of medicine and dosage. A note from the parent must be with the medication requesting the office staff give the student the medicine. Pinewood is not capable of providing prolonged care for the administering of medications (Ex: breathing treatments).

Enrollment/Withdrawal

APPLICATION FOR ENROLLMENT

Application for enrollments must be completed by a parent/guardian. Once an application has been received, an interview will be scheduled for students in grade K5 and above.

ENROLLMENT REQUIREMENTS

The following documents are required upon acceptance and registration at Pinewood Christian Academy.

- Copy of student's original birth certificate
- Copy of student's social security card
- Completed Georgia Immunization Form and EED (Eye, Ear, and Dental) Form
- Permanent custody papers issues by the court if student lives with anyone other than the natural parent
- Any court orders that prevent or limit access of a parent to the child or the child's educational record
- Any restraining orders or legal documents specifically limiting the access of any individual to the student being enrolled.

WITHDRAWAL

Parent/Guardian must provide the office with written notification of student's withdrawal. Parent/Guardian will be responsible for all fees incurred up to the withdrawal date. Transcripts requests will be held until all balances are paid.

Married students are not allowed to attend Pinewood. A pregnant student or a student with a child will not be allowed to attend Pinewood.

ATTENDANCE

MANDATORY ATTENDANCE

Regular school attendance is required by law and is necessary for good scholarship. Georgia state law allows 10 absences per semester.

More than 10 absences per semester in any given class may result in non-credit for the class and/or a failing grade.

Parents will be notified when a student reaches 5, 7, and 10 unexcused absences in a class.

TARDIES

It is disruptive to the learning atmosphere to have class attention directed to a student entering a class late. Students who repeatedly arrive late to school due to sickness or not feeling well may be asked to furnish a medical statement from their doctor. Five UNEXCUSED tardies to school per semester will result in 1 absence assigned. Therefore, the student will not be eligible to receive perfect attendance.

TARDY TO SCHOOL ~ LOWER SCHOOL

All students must be in homeroom in the morning before the 8:05am bell; otherwise, they are tardy to school. Any K4-3rd grade student tardy to school must have a parent sign the tardy register in the office and receive a tardy pass before being admitted to class.

Any student 4th -6th grade that is tardy to school must sign the tardy register in the office and receive a tardy pass before being admitted to his/her homeroom. Any parent/student who does not abide by this procedure may result in the student being counted absent for the day.

TARDY TO SCHOOL ~ UPPER SCHOOL

All students must be in homeroom in the morning before the 8:05am bell; otherwise, they are tardy to school. Any student 7th -12th grade who is tardy to school must sign the tardy register in the office and receive a tardy pass before being admitted to their homeroom. Any student arriving after homeroom must have a note signed by their parent stating his/her knowledge of his/her child's tardiness. If a student does not have a note, he/she will be asked to call a parent before he/she can be admitted to class. A student who arrives late to school without a valid excuse will not be allowed to enter a class already in progress if he/she has missed over ½ of the class.

TARDY TO CLASS ~ UPPER SCHOOL

Students will be given sufficient time to change classes. Students will be considered tardy when the bell begins to ring.

CONSEQUENCES FOR UNEXCUSED TARDIES

Students who repeatedly arrive tardy to school will be disciplined as described below:

<u># Tardy</u>	<u>Penalty</u>
1st-3 rd	No Penalty
4 th	Written Warning
5 th	Morning Detention/Corporal Punishment
6 th	Morning Detention/Corporal Punishment
7 th	ISS/Corporal Punishment/After-School Detention
8 th	ISS/Corporal Punishment/After-School Detention
9 th	Parent must sign student in at office prior to 7:45 am for 1 week/ISS/Corporal Punishment/After-School Detention
10 th	Suspension from school – 1 day for each new tardy

LATE ARRIVAL DUE TO EXTRACURRICULAR ACTIVITIES

An excused tardy will no longer be allowed for students arriving late the morning following an extracurricular event unless notification is given by the coach, sponsor, or the school administration prior to leaving the sporting event or unforeseen problems occur during the trip home.

EARLY DEPARTURE ~ LOWER SCHOOL

When parents come to pick up their children, they are required to checkout their children in the school office, rather than going directly to a classroom or other area. Teachers have been instructed to send all parents, who come directly to their classrooms to pick up students prior to the dismissal bell, to the office.

Do not email your child's teacher with departure changes. All changes must be called in to the office. There are to be no changes in the way your child gets home after 1:00 pm unless there is an emergency.

Students should not be signed out after 3:00 pm unless there is an emergency. The office becomes a hectic place after 3:00 due to sign-outs that appear to be simply for convenience to avoid departure.

Students who attend any school sponsored function which ends prior to the end of the school day are required to return to campus. Students not returning will be marked absent beginning at the time the rest of the group returns unless prior administrative approval has been granted. Parents are required to sign students

out with the supervising staff member, when this option is available. Parents may sign another student out only if they have a signed note from the other child's parent stating their approval.

Any student in grades K4 – 6th with five UNEXCUSED early departures from school per semester will result in 1 absence assigned; therefore, the student will not be eligible to receive perfect attendance.

EARLY DEPARTURES-UPPER SCHOOL

Students checking out early must be signed out in the main office. A sign-out record is maintained in the school office. Students will not be called out of academic classes to sign out until the parent has arrived at the school.

A note is required when it is necessary for someone other a parent to pick up a student: the note must list that person by name. All notes must be given to the office at the time of checkout and the student or parent or parent designee must sign the student out in the office before leaving school. Pinewood reserves the right to verify all parent permission notes for early departure.

Students leaving before half of any class will not receive attendance credit for that class for that day. More than 10 absences in any given class per semester may result in non-credit for that course for the year.

Students who attend any school sponsored function which ends prior to the end of the school day are required to return to campus. Students not returning will be marked absent beginning at the time the rest of the group returns unless prior administrative approval has been granted. Parents are required to sign students out with the supervising staff member, when this option is available. Parents may sign another student out only if they have a signed note from the other child's parent stating their approval.

Any student in grades 7th – 12th with five UNEXCUSED early departures from school per semester will result in 1 absence assigned; therefore, the student will not be eligible to receive perfect attendance.

ABSENCES

In grades K3 – 6th, students signing in late must sign in prior to 11:45am to be counted present and students signing out early must remain in class until 11:45 am to be counted present for the day. If a student leaves school before 11:45 am, he is counted absent for the day, even on half days.

In grades 7th through 12th, roll will be taken during each period. A student must be present in four classes to be counted present for the day.

After each absence, parents must submit a signed note the day a student returns to school.

If a student is not present in class because of school-related activities (on or off campus), he/she is not counted absent and is afforded an opportunity to do makeup work as outlined in the makeup work policy.

If a student is sent home for a school policy violation, any missed work will not be allowed to be made up (suspension, length of hair, facial hair, dress code violations).

EXTRACURRICULAR PARTICIPATION ATTENDANCE

Students must attend 4 classes, have a doctor's excuse, or have documented college visit request/appointment to be eligible to participate in extra-curricular (athletic or literary) competition or practice on that particular day.

INSTRUCTION/TESTING

CARE OF TEXTBOOKS

Textbooks are provided at no charge to each student with the understanding that they will be maintained and returned in proper condition. Exception – There may be charges for paperbacks or scholastic materials. If a book is abused or lost, the student will be responsible for repair or replacement cost.

FIELD TRIPS

All students leaving Pinewood on a school-sponsored or school-related activity must turn in the completed field trip waiver enclosed in your school packet. Field trips are planned to relate to students' academic studies or special/seasonal educational activities. Parents will be notified in advance of field trip times, cost (if any) and location. Parents who choose to accompany the class on the field trip are NOT allowed to bring along siblings or other non-school children and are NOT allowed to ride the bus.

Students who attend any school sponsored function that ends prior to the end of the school day are required to return to campus. Students not returning will be marked absent beginning at the time the rest of the group returns unless prior administrative approval has been granted. Parents are required to sign students out with the supervising staff member, when this option is available. Parents may sign-out another student only if they have a signed note from the other child's parent stating his/her approval.

MYSCHOOLWORX

Parents can review their child's academic progress anytime on MySchoolWorx. Parent login information will be provided to parents at the beginning on each school year. Homework, assignments, and project deadlines will be posted on MySchoolWorx. Parents can also visit our website at www.pinewoodchristian.org to access additional information.

GRADES

Pinewood will assess student progress on a 9-weeks basis. Parents have daily access to their student's grades through MySchoolWorx.

Students in K-4 & K-5 will be assigned grades according to the following scale:

G = Good

N = Needs to Improve

S = Satisfactory

U – Unsatisfactory

Student promotion or retention in K-4 is based on results of readiness tests, teacher evaluation and consultation with parents and Administration. Those students in K-

5 who make unsatisfactory marks for the year in a subject will need to be evaluated, and grade placement will be determined by teacher evaluation and consultation with parent and Administration.

Grading Scale: 1st -12th:

- A** - 100-93
- B** - 92-86
- C** - 85-78
- D** - 77-70
- F** - Below 70

Any student in grades 1st – 8th who receives more than 2 grades below 70 will be subject to retention.

Any student in grades 9th- 12th who receives any grade below 70 will not be awarded academic credit and will be required to repeat the course.

NINE WEEKS TESTS/SEMESTER GRADES

Nine weeks tests are required of all students in all classes for grades 7th -12th. These tests are comprehensive for each nine week term. The nine weeks test will account for 5% of the nine weeks average.

The first semester grade is the average of the first and second nine weeks' grades. The second semester grade is the average of the third and fourth nine weeks' grades. The final grade is the average of the first and second semester grade. A nine weeks, semester or yearly average yielding a fraction of 0.5 or greater will be rounded up to the next whole number.

The official community service form is available in the school office or online at pinewoodchristian.org. The top portion must be completed and preapproved PRIOR to the activity. Students are responsible for the completion of the official community service forms. Please plan ahead to get all activities preapproved. No hours will be accepted unless they have been preapproved by the counselor. **Phone calls will not be used for approval.** After the activity has been preapproved, hours completed must be verified and signed by a supervisor or sponsor and turned into the office on the official community service form.

DUAL ENROLLMENT/MOWR ELIGIBILITY AND REQUIREMENTS

Students interested in participating in the Move On When Ready Program must meet eligibility requirements set by participating technical college or local universities, as well as have a 3.0 grade point average in academic/core courses only. Potential MOWR students should schedule appointment with the school's guidance office to ensure eligibility.

Honor Graduate with Distinction: Student will take a minimum of 8 units of Honor and/or Advanced Placement courses taught at PCA and/or MOWR courses taught at a SACS accredited college or university. Student must have a cumulative grade point average of 93.0 or above. The Valedictorian and Salutatorian will be identified from this tier. Achievement Roll is awarded to students who have an average of 90.0 or above with no grade below 85 for the nine week period.

PARENT-TEACHER CONFERENCES

At the request of either the parents or the teacher, parent-teacher conferences may be scheduled through the counselor's office. Conferences may be scheduled for a teacher's planning period, but parents are encouraged to schedule such conferences after school hours in order to avoid interference with the normal school day. All parent-teacher conferences must be monitored by the counselor or an administrator.

TESTING

Students in grades 1-10, as part of continuous school improvement, use the Iowa Tests of Basic Skills (ITBS) each year. The ITBS is vital in determining student achievement, promotion and used as part of the placement process for students' inclusion in the most rigorous classes available. All portions of the test will be administered each year.

The PSAT is offered to students in grades 8 – 11. This test is given once in October and is optional. Those students who chose to participate will be charged a small fee.

The ASVAB is administered to 11th grade students. This test is given once in spring and is required.

Advanced Placement Exams are offered as part of the AP Program. Students in AP classes will take the corresponding AP exam on specific dates in May. Students who score in a 3 or higher on the 5 point scale may receive college credit. There is a fee associated with taking an AP exam.

MEDIA CENTER

As a result of the efforts of many people, Pinewood students enjoy a well-established library. It is the desire of the administration that teachers and students reap maximum benefits from this resource. We like for our students to read, read, and read! Each student borrowing books from the library is responsible for returning them by the due date and in good condition. Students must pay for books that are lost or damaged while in their possession. A fine of 10 cents per item per day is charged for each overdue book returned late by 1st through 12th graders.

K4 and K5 students can check out books weekly via a pickup system from their classrooms. A canvas bag identified with the student's bar code label facilitates the weekly checkouts in K4-K5 classrooms.

Students in 1st through 12th grades may visit the library daily to check out books and may have two books checked out at the same time.

LIBRARY PROGRAMS

- The weekly “**Storytime**” sessions for K3 through 2nd grade classes expose the students to award-winning books by well-known authors.
- The “**Pinewood Reader**” program in grades 1- 8 has resulted in many books being read and has improved reading comprehension scores.
- A “**100 Books Club**” program is available to students in the K4-K5-1st grades.
- The “**Summer Reading**” program on Tuesday afternoons in June and July offers an opportunity for students to maintain their reading skills and to “bank” points for their yearly Pinewood Reader goals.

STUDENT RESEARCH

- Teachers doing prior planning of topical research with the media center staff ensures greater success.
- Teachers are asked to encourage use of print materials for research also.
- When sending a group larger than 3 students to use the computers, the teacher will accompany the students.
- Teachers issue individual passes to each student wanting permission to use the library computers for the Internet and/or word processing.
- Students are **not allowed** to access email accounts on library computers.
- All material needs to be scanned for viruses before any material is downloaded and brought into the media center.

- Since the library computers have to serve so many people, faculty and students are asked to avoid browsing websites for personal use.
- Students may print items in the library for a nominal fee: Colored copy is \$.10 per page and black/white copy is \$0.05 per page.

CHAPEL

The purpose of Chapel is to provide the students with an opportunity to improve moral and spiritual awareness in order to lead better lives. Students are encouraged to be active and attentive participants during each Chapel program. Teachers escort their students to and from Chapel.

There are three separate Chapel Services provided for the students each Wednesday. Please note that the school has a Chapel Bell Schedule on Wednesdays. Special programs may result in a change from the regularly scheduled Wednesday Chapel Services. Teachers and students will be notified in advance.

All pupils transported are under the authority of the bus driver and must obey established bus rules. School rules apply on the bus just as on campus or at other school events.

Students are expected to ride the bus in which they are assigned. Students needing to ride a different bus or any bus in which they are not assigned must request a bus pass using the following procedure:

1. Bring a written request from parent/guardian with a phone number and signature. Parent/guardian may be contacted for verification. If contact cannot be made, a request may be denied.

DRIVING TO SCHOOL

Being allowed to drive an automobile to school is a privilege extended to students at Pinewood. Please review the following expectations to maintain this privilege.

- During the first week of school, each student who drives to school must complete a one-time registration of his/her automobile in the upper school office. Please be prepared to provide proof of insurance, a valid Georgia Driver's license, and the make and model of the vehicle. Upon completion of the registration, the office will issue a numbered parking decal that is to be affixed to the rear view mirror of the vehicle. The parking decal must be displayed in the proper location of the student's car at any time the car is on school property. There will be a nominal charge of \$20.00 for the parking decal, \$5.00 for a second vehicle parking decal or replacement of a lost parking decal.
- The maximum speed limit on the campus is 15 mph. In most cases, a slower speed will be more appropriate.

- Speeding and reckless driving will result in an immediate suspension of driving privilege, and in extreme cases, the possibility of arrest.
- Loud mufflers and sound/music are not allowed.
- Park cars in lines directly behind the faculty parking area. The Faculty and Staff park in row 1, Seniors park in row 2, Juniors park in row 3, and Sophomores park in row 4.

Students arriving at 7:55 am may report directly to their classrooms. The school side curbing is for drop-off only. Parents choosing to walk their student to class must park along the far side curbing or in the school parking lot.

Students driving to school should park upon arrival and report to class. Sitting in the vehicle and loitering in the parking lot will not be allowed. Students may not return to their cars before the dismissal bell for any reason. Make sure you bring in books, lunch, gym clothes, etc.

CAR DEPARTURE PROCEDURES

Students who are picked up in the car line will be taken to the cafeteria area at the end of the school day. Parents are to line up at the designated area and wait until buses have cleared and then are directed to proceed to the pickup area. Signs provided by the school must be hung from the rear view mirror of your car in order to help with the safe and speedy departure of all students. One sign per family is provided by the school. Additional signs may be purchased at a cost of \$5.00 each. For safety reasons please refrain from being on your cell phone, texting, etc. during car departure.

Parents/Guardians may park and enter the building at the 3:28 bell to pick up students from the cafeteria. All car departure students in grades K4 – 6th must report to the cafeteria. Do not attempt to intercede while students are walking to the departure location. Park your car in the last row of the student parking lot, the furthest row from the departure lines. Do not park in the area near the tennis courts.

DRAMA ~ Mrs. Jenna Watkins~

Open to students in grades 9th through 12th ~ A successful school recognizes that students are multi-faceted. Here at Pinewood Christian Academy we strive to develop the potential of our students in all areas, including the fine arts. One avenue of fine arts exploration is participation in One-Act Play which is a division of Literary. A one act play is a play that takes place in one act or scene, as opposed to plays that take place over a number of acts. Students participate in a selection process where they audition for parts in the play. Whether a student is selected for a major or minor roll or as a member of the stage crew, each person is important to the success of the final product. Before competing at the regional level, it has become a tradition at PCA to perform for the home crowd at an annual Dinner Theater. Then, cast and crew head to region competition and hopefully on to state competition. Students who participate in one-act gain confidence in public speaking, stage presence, and teamwork these are all life skills which contributes to the self-worth of an individual.

LITERARY ~Miriam Porter~

For many years, PCA has competed in the GISA Literary Meet held annually in the spring. Competition is held in music, writing, and speaking. Categories include Boys' and Girls' Solo, Girls' Trio, Boys' Quartet, Piano, Humorous Oral Interpretation, Dramatic Oral Interpretation, U.S. Extemporaneous Speaking, International Extemporaneous Speaking, Spelling, Boys' and Girls' Argumentative Essay and Personal Essay. Pinewood has always finished as one of the leading schools at Region competition. Winners then proceed to State competition from which numerous state winners have emerged through the years.

The school held its first "Miss PCA" Pageant in 1971. Mrs. Henri Etta Rogers, an original faculty member has been the pageant director since 1972. Girls in grades 9th through 12th may participate. Commitment and hard work are required. The contestants attend classes which train them in the areas of poise, stage presence, interview skills and public speaking. Contestants participate in a musical opening and evening gown presentation, and finalists are asked an on-stage question. The pageant is usually held during the spring of the year (March or April). A scholarship is awarded to the winner.

It is recommended that all parties take place on campus and there should be no water related activities. All areas should be clean and in order at the completion of the party. Parents serving as party committee members should not bring siblings to the parties.

Invitations to personal parties or events should not be distributed among students during the school day.

STUDENT ACADEMIC RESPONSIBILITIES

All assignments must be completed and turned in on time. Failure to do so will result in academic penalties, including non-credit when appropriate. Maximum effort is expected at all times. It is the student's responsibility to seek assistance when having difficulty in a subject area. Teachers are willing to help, but they will not force a student to seek extra assistance.

Students in grades 9th – 12th must earn 24 prescribed Carnegie Units in order to graduate.

MAKE-UP WORK

All assignments should be obtained from My SchoolWorx. When desired, parents may request books to be sent home for their child. Request must be made to the school office before 9am and picked up after 2:45pm. Under no circumstances should a parent disrupt the classroom during the school day to request books or assignments directly from the teacher.

Students are allowed to make-up missed assignments due to any absences except ones due to disciplinary actions. In the event of an absence, it is the student's responsibility to determine what test, assignments, or other work have been missed and to take the initiative in making up work within the prescribed time limit. Failure to do so will result in a zero for any work missed. A student has the number of days absent plus one additional day to make up and turn in missed work. (Example: student is absent Monday, Tuesday & Wednesday – student will have Thursday, Friday, Monday & Tuesday to complete missed work and turn in.)

If a test is given the day of an absence, the student should take the test the day he/she returns to school. If a test is given the day after an absence, the student will not be responsible for any new material on the test or will be allowed to take the test at a later date. If multiple tests were missed, teachers need to be flexible (when in reason) to allow adequate time to makeup work. This will be up to the discretion of the teacher(s). No work will be accepted after this time limit without permission of the administration.

CHEATING

Cheating is considered a serious offense, and those found guilty will be dealt with accordingly. Teachers will give an automatic zero for any assignment, test, quiz, or exam in question. Parents will be notified of each offense: repeat offenders are subject to suspension. Cheating is defined as either RECEIVING or GIVING

information on any assignment, test, homework, quiz or exam without the express permission of the teacher. This includes plagiarism.

STUDENT BEHAVIOR RESPONSIBILITIES

Responsible behavior by each student is the only way in which the rights set forth in this document can be preserved. Violation of some of these responsibilities may lead, in accordance with the Discipline Code, to disciplinary measures. Full acceptance of responsibility with the exercise of rights will provide students with greater opportunity to serve themselves and society. Students have a responsibility to:

- attend school regularly and punctually and make every effort to achieve in all areas of their education;
- be prepared for class with appropriate materials and properly maintain textbooks and other school equipment;
- follow school regulations regarding entering and leaving the classroom and school building;
- help maintain a school environment free of weapons, illegal drugs, controlled substances and alcohol;
- behave in a manner that contributes to a safe learning environment and which does not violate other students' right to learn;
- share information with school officials regarding matters which may endanger the health and welfare of members of the school community;
- respect the dignity and equality of others and refrain from conduct which denies or impinges on the rights of others;
- show respect for school property and respect the property of others, both private and public;
- be polite, courteous and respectful toward others regardless of actual or perceived age, race, creed, color, gender, religion, national origin, citizenship/immigration status, weight, physical and/or emotional condition, disability, and political beliefs, and refrain from making slurs based on these criteria;
- behave in a polite, truthful and cooperative manner toward students, teachers and other school staff;
- promote good human relations and build bridges of understanding among the members of the school community;
- use non-confrontational methods to resolve conflicts;

- refrain from obscene and defamatory communication in speech, writing and other modes of expression in their interactions with the school community;
- express themselves in a manner which promotes cooperation and does not interfere with the educational process;
- adhere to the guidelines established for dress and activities in the school gymnasium, physical education classes, laboratories and extra-curricular events/programs;
- be familiar with the school Discipline Code and abide by school rules and regulations;
- provide leadership to encourage fellow students to follow established school policies and practices; and
- keep parents informed of school-related matters, including progress in school, social and educational events, and ensure that parents receive communications that are provided by school staff to students for transmittal to their parents.

Discipline Guidelines
for
Behavior Unbecoming of a PCA Student

The students of Pinewood Christian Academy are held to a high level of expectation for behavior as well as academic performance. We trust that our students will be model citizens in their communities, and that their behaviors would be reflective of the Christian principles that they are taught at home as well as at school. In the event a Pinewood student is charged with a legal violation, outside of school hours, we reserve the right to also administer discipline measures as we deem appropriate and fitting.

If a Pinewood Christian Academy student is found guilty of a misdemeanor charge, he/she may be suspended from school for a period of up to 5 days. During this suspension, all rules apply including but not limited to receiving zeros on all assignments. Repeated misdemeanor violations of lesser nature could also result in an additional suspension or possible expulsion. During this time, the student will not be allowed to attend school functions or participate in extracurricular practices or contests.

If a Pinewood Christian Academy student is found guilty of Misdemeanors of High and Aggravated Nature, it may result in a suspension of up to 10 days and possible expulsion.

If a Pinewood student is found guilty of a felony charge, he/she may be expelled for a period ranging from 1 semester and could possibly result in a permanent expulsion from Pinewood Christian Academy.

Pinewood Christian Academy (PCA) is a Christian Independent school designed to instill in students the intellectual curiosity and strength of character for success in college and beyond. The school is committed to developing the whole person within the framework of its core values and the Christian tradition. PCA seeks to inspire in each student a sense of responsibility to one's self, the community and the environment, and to build in each student the capacity to become a positive contributor and leader in an increasingly interconnected world. The use of computers, the network, and other technology resources must be a reflection of these ideals.

The purpose of this document is to educate employees and students of PCA, and students' families, to the appropriate uses, regulations and limits of access to technology resources. These resources include the PCA network, the Internet, e-mail services, telecommunications equipment, and all Academy-owned computer equipment and peripherals. Acceptable use rules also apply to individually owned hardware (including smartphones) that is connected to the Academy's network or used on Academy property.

In today's world, our Academy community spans beyond our campus. Students, faculty, and staff are expected to abide by the terms of this document any time they are using PCA resources, acting as a representative of the Academy, or otherwise communicating the Academy name or image. Guests must also abide by these terms when using PCA resources. All employees, students and their parents must read and agree to this document before entering into any online activity. Employees, students, and parents must understand and appreciate the responsibilities as well as the rules and regulations of accessing and using these resources.

Authorized Use

An authorized user is any person who has been granted authority by PCA to access its computing and or network systems and whose usage complies with this policy. Unauthorized use is strictly prohibited. By accessing the Academy's network using Academy-owned or personally-owned equipment, you have consented to the Academy's exercise of its authority and rights as set out in this policy and others with respect to any such equipment, as well as with respect to any information or communication stored or transmitted over such equipment.

Rights and Privileges

The PCA computer network and other technology resources are established and maintained for the use of the entire Academy community of students, faculty,

and staff. Use of these resources is, in itself, a privilege rather than a right. Users of these resources enjoy certain privileges that include:

Privacy

Every effort will be made to insure the privacy of the information stored on Academy resources, including electronic mail, files stored on the Academy's servers, etc. However, users of the network may be monitored and have their files inspected by an authorized systems administrator if they are believed to be in violation of policies set forth in this statement, general policies of PCA or applicable state and federal laws. System users have a limited privacy expectation in the contents of their personal files on the Academy system.

The contents of PCA employee and student e-mail accounts are ultimately property of the Academy. All information created or stored on Academy resources is subject to review by the administration. The Academy reserves the right to examine and take action on any information found on a device on Academy property, personal or Academy-owned, regardless of the purpose of the search during which it was initially found.

Users are strongly encouraged to maintain a private email account for use with non-Academy related activities. Several free services provide such accounts, such as Yahoo Mail and Google's Gmail. Using a private account for activities such as online purchases, personal registration at websites, personal listserv memberships, etc. will help maintain privacy and minimize unwanted email (i.e. spam) being sent to an individual's GOPCA email account.

The Academy monitors network activity for security and performance reasons. Behavior identified in this process that is suspected to violate the Acceptable Use Policy will be investigated.

Equal Access

All members of the PCA community are granted free and equal access to as many authorized services as resources and policies allow. Use of the Internet and other network resources, in the educational context, is encouraged. In part because resources are limited, use of technology is solely for educational and administrative purposes.

Safety

To the greatest extent possible, members of the community will be protected from harassment or unwanted contact. Users are instructed not to give out their home address, phone number, or password. However, making the Internet available carries with it the potential that users may encounter information that some deem

to be controversial or harmful. Because information on the Internet appears, disappears, and changes, creating an entirely "safe environment" is impossible. The Academy's intent is to provide the understanding and skills needed to use resources appropriately, while using technology tools to make the environment as safe as possible.

It is important to make as many information resources as possible available, while still protecting our users from unwanted, inappropriate or objectionable content. The Academy will make every attempt to balance these two needs. However, no commitment is made that access to all objectionable material can be restricted or removed, either in the email system or other technology resources. Likewise, unrestricted access to all resources cannot necessarily be granted.

Intellectual Freedom

Within the framework of responsibilities listed below, the PCA computer network is a free and open forum for expression, including viewpoints that are unorthodox or unpopular. Considerate and respectful disagreement is welcome. Harassment and other inappropriate use can stifle this freedom for others and as such is not acceptable.

Responsibilities

All members of the PCA Community are expected to show mutual respect and compassion for others. As such, there are certain responsibilities that come with the privilege of being able to use the Academy's information network and telephone system. Since this network reaches beyond the Academy, all members of the community are expected, at all times, to act as ambassadors for the Academy when using these resources.

In addition, users are expected to respect technology resources as they would any other Academy property. Computer-related offenses are subject to the same rules and penalties applied to other offenses at PCA. Offenders can expect violations to be handled in accordance with appropriate Academy rules covering, for example: plagiarism, theft, harassment, vandalism, etc. Misuse of e-mail, the Internet, or other electronic resources may result in immediate restrictions being put in place, with the possibility that use of such resources may be temporarily or permanently revoked.

The Academy reserves the right to act upon reports of misuse as it sees fit. This may include immediate restriction or denial of access to an individual's e-mail account, the Academy network, the Internet, or other electronic resources pending further investigation.

Responsibilities for acceptable use of technology resources include:

- Users will not use the Academy resources to access, view, or store material that is profane or obscene (e.g. pornography), that advocates illegal acts, or that advocates violence or discrimination towards other people (e.g. hate literature). Nor will such material be sent or forwarded by email.
- A student who mistakenly accesses inappropriate information or images should immediately report this to the attending teacher, or other adult in charge. The System Administrator should be notified if it is deemed warranted (e.g. if offensive materials or malicious software needs to be removed). Such reporting will protect individuals from the appearance of intentionally violating acceptable use rules.
- In order to respect the privacy of others, users will not forward or otherwise publish an email or text message in whole or part that was sent to them privately without permission from the person who sent them the message. Nor will a user post private information about another person. Similarly, no picture or video can be taken by device without the expressed or implied permission of the person photographed. Expressed permission must be obtained in order to post or otherwise publish a picture or video.
- Users will not take action intended to gain unauthorized access to Academy resources, to obtain login information of other users, or to in any way disrupt performance of technology systems.
- Adherence to copyright laws is required. Users should respect the intellectual property rights of others. In most cases, material content and documents available via the Internet are the intellectual property of other persons and are protected by copyright. Users are urged to consider the Academy's policies regarding plagiarism and theft when accessing and citing these resources.
- A student who is caught texting or using a cell phone during a test or quiz will be assumed to be cheating.
- Because the network is a resource shared by the entire PCA community, responsible use of bandwidth and storage capacity is essential. Users should not take action that unnecessarily taxes network resources. Educational and administrative uses are the sole criteria for use of electronic resources. Uses that require excessive bandwidth and may not be appropriate include, but are not limited to: video, image, music, and other large file downloads; peer-to-peer communications; online gaming; etc. The Academy reserves

the rights to limit or prevent such activities in order to assure resources are available for priority uses.

- Impersonation and anonymity in the use of the Academy's network and e-mail system are unacceptable. Anonymous online posting, texting, emailing, or chatting is not permitted.
- The use of internet proxy sites or any sites, applications or other means of bypassing the Academy's Internet filters is prohibited. The use of any systems in order to provide user anonymity is likewise prohibited. The use of these sites and applications is prohibited regardless of the intended purpose.
- Use of appropriate language is required. Profanity, obscenity, offensive or inflammatory speech is as inappropriate on the network as it is in other areas of Academy life.
- Using computer or network resources for issuing threats, bullying, verbal attacks, or other threatening behavior, whether occurring on or off campus, is prohibited. Users will not use any language in an e-mail or text that threatens another person, whether it is the recipient of the message or a third party. Users will not engage in personal attacks, including prejudicial or discriminatory remarks.
- Resources may not be used to harass another person. Harassment is persistently acting in a manner that distresses or annoys another person. If a user is told by a person to stop sending messages, he/she must stop.
- Misuse of any means of communication is prohibited. This includes "sexting," or any transmission of nude or explicit images of oneself or others.
- Use of the Academy's technology resources for personal financial profit is prohibited.
- Unless as part of an Academy sanctioned activity or specific permission is granted, use of the Academy's technology resources for political or religious purposes is prohibited.
- Installation or use of devices that extend or alter the PCA network (e.g. hubs, switches, bridges, routers, wireless access points, etc.), or that extend another network via the PCA network, is forbidden without written authorization. Such devices may be immediately confiscated upon discovery, and users will be subject to appropriate disciplinary action.

- New technologies are subject to review as to whether their use is acceptable at PCA.
- No website is truly private space. Posting information online that is potentially damaging to oneself, to others or to the Academy is not permitted. This includes information posted to social networking sites such as MySpace, Facebook, Twitter, Buzz, Instagram, etc.
- PCA encourages its students to be creative while being responsible Academy citizens. Any public posting of content created using Academy resources, displaying the PCA name or logo, or in any way depicting the Academy, its employees or students; must not negatively portray the school or its community, or violate, in any way, this AUP or any other Academy rules. This includes posting content to any Internet site, distributing via email, podcasting, "tweeting," or sharing by any other electronic means.
- Other responsibilities toward the Academy's resources include:
 - Network users should take precautions to prevent the inadvertent spread of computer viruses. The deliberate spreading of a virus will be considered vandalism. Users participating in such behavior will be held accountable to applicable Academy rules, and may be responsible for financial loss caused by their actions.
 - Only electronic devices registered with the Systems Administrator may be connected to the School's network. Where appropriate, each device must have a working, school-sanctioned virus protection with up-to-date virus definitions. Under no circumstances may network monitoring or packet capture software be used.
 - Access to the Internet is monitored, and the user must be able to justify any site visit.
 - Since many users share this network, users are expected to report problems with hardware and software and potential virus problems to a teacher or a systems administrator immediately.
 - Users should not change the setting or add software files to the Academy's computers.
 - Users should work only in the account(s) assigned to them and will be held responsible for the activity in those accounts. Sharing of passwords or other login information is prohibited. If a user suspects unauthorized access is occurring, this must be reported immediately.
 - All information created or stored using Academy resource is subject to review or seizure by the Academy.

- Student will be held responsible for damage, physical or otherwise, caused to any Academy property.
- Misuse of any Academy resource, such as a home directory or the unauthorized use of shared space for non-academic or non-administrative files, is prohibited.
- The compilation or unauthorized redistribution of information from Academy files or directories (printed or electronic) to third parties, especially those outside the Academy, is prohibited.

Sensitive Information

During the course of normal activities, employees may encounter information considered sensitive by the Academy. Sensitive information is any information protected by law or contractual obligation, or which if disclosed, altered, or lost may pose a reputational and/or financial risk to the Academy or anyone affiliated with the Academy. Employees should take all necessary steps to prevent unauthorized access to this information.

Online Social Networks

Social Network sites can be generally defined as web-based services that allow individuals to: 1) construct a public or semi-public profile within a bounded system, and 2) create a list of other users with whom they share a connection. The nature and nomenclature of connections may vary from site to site. Information is then shared with this network and possibly others. Popular examples of Social Network sites include, but are not limited to: Facebook and Twitter. All information included elsewhere in this policy applies to social networks.

- It is extremely important to understand that any information posted on a social networking site could potentially be viewed by anyone, and could live forever online, even if deleted from that particular site.
- Posting information online that is potentially damaging to oneself, to others or to the Academy is not permitted. This must be remembered when using social network sites, and applies even if only sharing the information with a seemingly small group of individuals.
- PCA employees (faculty and staff) may not "friend" or follow current students of any age or alumni under 18 years of age via online social networks with the exception of their own children. Initiating or accepting any such relationship request is prohibited. (Ex: Facebook, Twitter, etc.)
- Faculty and staff must use professional discretion in "friending" or forming online connections with alumni 18 years and over, keeping in mind that

current students often have online connections with former students. Through such connections, students may gain access to information shared with alumni, and faculty and staff will be held accountable for information disseminated in this manner, even if unintended.

- Employees are strongly discouraged from "friending" or forming similar connections with parents of current or prospective students, and will be held responsible for information disseminated through such connections, even if it is received by unintended recipients.
- As with any other behavior, online or otherwise, nothing that could be considered bullying or harassment by a reader may be posted on social network sites.

Illegal activities

- Using electronic resources for any illegal activity is strictly prohibited.
- Users will not attempt to gain unauthorized access to the e-mail system, the Academy Web pages or any other computer system through the Academy e-mail and/or Internet and/or network access. Users will not attempt to perform functions that exceed their authorized access. This includes attempting to log in through another person's account or access another person's files. These actions are illegal.
- Users will not make deliberate attempts to disrupt the computer system performance or destroy data by spreading computer viruses or by any other means. These actions are illegal.
- Users will not use Academy resources to engage in any other illegal act, such as drug- or alcohol related activities, threatening the safety of another person, vandalism, harassment, libel, or any other activity that violates existing Academy policies. Reference to such activities will not even be made in a joking manner or as a prank.
- Gambling is illegal for minors. Academy resources may not be used for online gambling by anyone of any age.
- Users will not store illegal content on Academy resources, download illegal content, or transport such content on the Academy network. Illegal content may include, but is not limited to, unlicensed music or video files, or unlicensed software. This includes any sharing (including "peer-to-peer") of such materials with any other parties.

- The Academy will take disciplinary action and may involve law enforcement should illegal activity occur.

Limits of Liability

PCA makes no warranties of any kind, either express or implied, that the functions or the services provided by or through the Academy's system will be error-free or without defect. The Academy will not be responsible for any related damage users may suffer; including, but not limited to, loss of data, interruption of service, or performance issues. The Academy is not responsible for the accuracy or quality of the information obtained through or stored on the system, or acquired via the Internet. The Academy will not be responsible for financial obligations arising through the unauthorized use of the system. The Academy will not be responsible for personal, professional, or academic loss due to the suspension of use of resources resulting from failure to adhere to Acceptable Use guidelines. The Academy is not liable for legal action taken against students or employees by third parties due to unauthorized activities using personal or Academy-owned resources.

Acceptable Use Agreement

Users will be asked to sign a statement indicating that they understand this Acceptable Use Policy and that they will abide by it. Those who do not abide by this policy can expect to have access to Academy technology resources restricted, and to face disciplinary action.
