Insurance Information for Athletic Participation
(All Athletics & Literary - excluding High School Football)

Board policy states that each student who participates in athletics must be covered by a health insurance plan prior to his/her participation.

Primary insurance coverage for your child is a parental responsibility. If your child is covered by a home health insurance plan, it is not necessary to purchase additional insurance coverage. If you would like additional (secondary) insurance or if your child is not covered by a health insurance plan, you may purchase it through our student insurance plan underwritten by The Young Group Insurance Company. There are several levels of participation with increasing benefits and premiums for each level. Enrollment instructions and forms are available from the Athletic Office and the PCA website.
