RECOMMENDED DEVICES FOR STUDENTS IN GRADES 9-12 (NOT REQUIRED)

Brand Recommendation:

Dell or Lenovo. I would not use HP for a laptop or Chromebook.

Laptops -

Processor Options: Intel i5 or better and AMD Ryzen 5 or better

RAM: 4GB Minimum, 8GB Recommended

Harddrive: 256GB Solid State minimum

Chromebooks -

Lenovo has a 100e that is less than \$200

OfficeDepot has an Acer 311 11.6" for \$129.

ChromeOS doesn't require much to run so this may be more about personal preference... touchscreen, flip, flex or whatever.
