Dear Patriot Supporter,

Another school year has ended, and the 2023-2024 year is just a couple of months away. Thank you for all your support of Pinewood Athletics this past year. We need you again next year!

A Booster Club membership is an investment in the lives of Patriot Athletes. It is also a chance to be a lasting part of PCA's athletic heritage. While some club funds help support "right now" opportunities for our teams like uniforms, travel, and meals, our financial focus is primarily maintaining and improving the amazing facilities and equipment used by the Patriot teams. With your support during the 2022-2023 year, we were able to contribute \$20,000 to Pinewood's athletic budget, purchase concession stands for the softball and baseball fields in the amount of \$15,120, ticket booths for the athletic entrances in the amount of \$10,662, a new reel mower for the athletic fields in the amount of \$36,750, a football sled, basketball shot clocks, and trees for the baseball field in the total amount of \$18,795, new tennis equipment in the amount of \$5,887, weightroom equipment in the amount of \$3,556, and invest another \$5,000 into the Clay Target team's practice facility. In addition to several other areas of contributions, the Booster Club spent a total of \$168,539 in total support of Pinewood athletics and facilities. None of which would not be possible with the generous support of members like you.

Please consider joining again for this coming year and help continue the amazing Patriot Athletics legacy we all enjoy.

If you would like to be included on the banner at the football and softball fields, your membership form and money needs to be received no later than July 31, 2023.

Sincerely,

Bryan Wiggins
President
