Dear Patriot Supporter,

Another Booster year has ended, and the 2024-2025 year is upon us. Thank you for all your support of Pinewood Athletics this past year. We need you again this year!

A Booster Club membership is an investment in the lives of Patriot Athletes. It is also a chance to be a lasting part of PCA's athletic heritage. While club funds help support "right now" opportunities for our teams like travel and meals, our financial focus is primarily maintaining and improving the amazing facilities and equipment used by all the Patriot teams. With your support during the 2023-2024 year, we were able to contribute \$20,000 to Pinewood's athletic budget, \$5,000 to the Middle School athletic budget, purchase two new Gator UTVs totaling \$18,600, purchase new track equipment for \$7,424, contribute \$19,757 towards the baseball and softball facilities and equipment, purchase football equipment for \$5,568, purchase golf equipment for \$3,036, purchase an athletic music system for \$2,675, commit \$7,500 per year towards the new GPS paint robot, and award \$1,000 in scholarships. We also committed to cover a meal for all State playoff games. In addition to other areas of contribution, the Booster Club spent a total of \$134,186 in total support of Pinewood athletics and facilities. None of which would be possible without the generous support of members like you.

Please consider joining again for this coming year and help continue the amazing Patriot Athletics legacy we all enjoy. And remember we not only need your financial support, but we also need your participation. All meetings are open to all members. The guidance of the club is in the hands of its members!

Sincerely,

Bryan Wiggins  
President
