Dear Patriot Supporter,

Another Booster year has ended, and the 2026-2027 year is upon us. Thank you for your support of Pinewood Athletics this past year.

A Booster Club membership is an investment in the lives of Patriot Athletes. It is also a chance to be a lasting part of PCA's athletic heritage. While club funds help support "right now" opportunities for our teams like State Competition travel and meals, our financial focus is to supplement and assist the school in maintaining and improving the amazing athletic facilities and equipment used by all the Patriot teams. With your support during 2025-2026, we were able to have our most historic year for Pinewood Athletics. The Club contributed over $153,000 towards the athletes, facilities, and equipment. As a matter of fact, the Club has been able to contribute over $518,000 over the last 6 years. We were also able to increase our Mickey McBroom scholarships from $500 for one male and one female student athlete to $1,000 each. None of this historic support would have been possible if not for the generous support of our membership.

Please consider joining again for this coming year and help continue the amazing Patriot Athletics legacy we all enjoy. And remember we not only need your financial support, but we also need your participation, now more than ever. All meetings are open to all members. The guidance of the club is in the hands of its members!

Sincerely,

Bryan Wiggins
President
